

## Notice of Availability of Final Environmental Assessment Report for the Modern Streetcar Project

Notice is hereby given that the City of Tucson, partnering with the Regional Transportation Authority (RTA) and the Federal Transit Administration (FTA), has made available the Tucson Urban Corridor Final Environmental Assessment report for final public review and confirmation of the resolution of comments. This Report relates to the project that will implement a modern streetcar line that connects major activity centers in the central core, including downtown Tucson, the Downtown Redevelopment area, the 4<sup>th</sup> Avenue and Main Gate business districts, the University of Arizona, and the Arizona Health Sciences Center.
