

PETITION--Traffic Circle (Convert Stop to Yield Signs)

CITY OF TUCSON

NEIGHBORHOOD TRAFFIC MANAGEMENT PROGRAM

Contact Person * _____ **Phone # *** _____
Address * _____ **Zip code *** _____
E-mail address _____ **Fax #** _____

We, the undersigned residents of _____ (Neighborhood) request that the Stop Signs be converted to Yield Signs at the existing Traffic Circle location on * _____ (street name) and * _____ (street name). We understand that 4-Way Stop Signs can be converted to 4-Way Yield Signs at any Traffic Circle Location. (the impacted area for the petition are properties located along the street frontage, including side yards) (Only **one** signature is required per property). Valid signatures of 60% of the residents (property owners or renters) will be required to initiate this mitigation plan.

- ⇒ Above information marked with an (*) is mandatory and must be filled out prior to individuals signing this petition.
- ⇒ Each petition entry below must include - (Property Address, Signature, Printed Name, and Date) to be counted as valid.
- ⇒ Please DO NOT write in left column of petition-write notes on the back or on a separate page and make reference to line number.
- ⇒ All information on each line must be legible.

(PLEASE WRITE LEGIBLY)

PLEASE READ BEFORE SIGNING

*NOTE: Signing and/or submittal of this petition to Neighborhood Traffic Management does not guarantee that the requested traffic mitigation will be approved and installed. The request for mitigation must be reviewed by required City Agencies for approval. The petition request could be rejected or modified for various reasons, by any of the City Agencies, for example, if the petitioned street(s) have a history of flooding/drainage issues, issues regarding emergency vehicles access, location of sewer or manhole, etc.

Please mail (or deliver) **original** completed petition (**no copies**) to address below:
